On December 22, 2016 and December 28, 2016, Galectin Therapeutics, Inc. (the “Company”) entered into Subscription Agreements (the “Subscription Agreements”) with certain purchasers identified on the signature pages thereto (the “Purchasers”). Pursuant to the Subscription Agreements, the Company completed private placements of common stock, par value \$0.001 per share (“Common Stock”) and warrants to purchase Common Stock (the “Common Stock Warrants”) to accredited investors. The Company issued (i) 1,954,939 shares of Common Stock and Common Stock Warrants to purchase 1,466,204 shares of Common Stock at \$5 per share on December 22, 2016, to a single investor in exchange for an aggregate purchase price of \$2,000,000 and (ii) 859,291 shares of Common Stock and Common Stock Warrants to purchase 644,468 shares of Common Stock at \$5 per share on December 28, 2016, to multiple investors in exchange for an aggregate purchase price of \$1,000,000. For each of the issuances, the price for a unit of one share of Common Stock and a Common Stock Warrants to acquire 0.75 for each share of Common Stock was equal to the most recent closing price of a share of the Company’s common stock plus \$0.09375.

Pursuant to the Subscription Agreements, the Company has agreed that within 90 days of the final closing it will register for resale the shares of Common Stock sold to the Purchasers as well as the shares of Common Stock issuable upon exercise of the Common Stock Warrants.

Each Common Stock Warrant is exercisable at \$5.00 per share of Common Stock at any time after the date that is six months after issuance until the seventh anniversary of the respective issue date.

The issuances of Common Stock and Common Stock Warrants, including the issuance of shares of Common Stock upon exercise of the Common Stock Warrants, as described above were and will be, issued in reliance upon the exemption from registration under Section 4(2) of the Securities Act and Rule 506 of Regulation D promulgated thereunder. Upon issuance the shares of Common Stock and Common Stock Warrants were not registered under the Securities Act of 1933, as amended, and will be “restricted securities” as such term is defined by Rule 144 under the Securities Act.

The foregoing description of the Subscription Agreements and the warrants is not complete and is qualified in its entirety by reference to the full text of the form of Subscription Agreement and form of Common Stock Warrant, copies of each of which is filed herewith as Exhibit 10.1 and Exhibit 4.1, respectively, to this Current Report on Form 8-K and are incorporated herein by reference.

Series B-3 Convertible Preferred Stock Transaction

In a separate transaction, on December 23, 2016, the Company and 10X Fund, L.P., a Delaware limited partnership (“10X Fund”) entered into that certain Second Amendment to Securities Purchase Agreement (the “First Amendment”), which amended that certain Securities Purchase Agreement, dated September 22, 2016, as amended (the “Purchase Agreement”). Pursuant to the Second Amendment, the Company and 10X Fund agreed to extend the Final Purchase Date, as defined under the Purchase Agreement. Additionally, the Company has agreed to issue and sell to 10X Fund, and 10X Fund has agreed to purchase from the Company an additional 1,008,000 shares of the Company’s Series B-3 Convertible Preferred Stock (the “Series B-3 Preferred Stock”) with an aggregate stated value of \$1,008,000 million. Each share of Series B-3 Preferred Stock sold in this issuance is convertible into such number of shares of the Company’s Common Stock determined by dividing (A) \$1.00 plus any accrued but unpaid dividends by (B) \$1.12375, and (ii) warrants to purchase 0.75 shares of Common Stock for every share of Common Stock into which the Series B-3 Preferred Stock is convertible (the “Series B-3 Warrants”) at \$3.00 per share. The terms and conditions of the Series B-3 Preferred Stock are more fully described in the Company’s Current Report on Form 8-K, filed on September 27, 2016.

The foregoing description of the Series B-3 Warrants is not complete and is qualified in its entirety by reference to the full text of the form of Series B-3 Warrants, a copy of which is filed as Exhibit 4.1 to the Company’s Current Report on Form 8-K filed on September 27, 2016, and is incorporated herein by reference.

Item 3.02. Unregistered Sales of Equity Securities.

The information contained in Item 1.01 of this report is incorporated by reference into this Item 3.02.

In addition to the issuances described in Item 1.01 of this report, pursuant to the terms of that certain Lock-Up Agreement, dated September 22, 2016, between the Company and 10X Fund (the "Lock-Up Agreement"), as such agreement is more fully described in the Company's Current Report on Form 8-K, filed on September 27, 2016, on December 27, 2016, the Company issued to 10X Fund warrants to purchase up to 84,000 shares of Common Stock in connection with sales of B-3 Preferred Stock, determined by multiplying 500,000 shares by a fraction, the numerator of which is \$1,008,000 (i.e., the aggregate purchase price paid to the Company in the sale of Series B-3 Preferred Stock) and the denominator of which is \$6,000,000.

Additionally, pursuant to the terms of the Purchase Agreement, as additional consideration for the lock-up described in the Lock-Up Agreement, the Company issued to 10X Fund warrants to purchase 168,033 shares of Common Stock, determined by multiplying 0.1667 times \$1,008,000 (i.e., the purchase price paid for the Series B-3 Preferred Stock) (collectively, such warrants together with the warrants issuable pursuant to the Lock-Up Agreement, the "Lock-Up Warrants"). The Lock-Up Warrants are exercisable at \$3.00 per share of Common Stock.

The foregoing description of the Lock-Up Warrants is not complete and is qualified in its entirety by reference to the full text of the form of Lock-Up Warrants, a copy of which is filed as Exhibit 4.2 to the Company's Current Report on Form 8-K filed on September 27, 2016, and is incorporated herein by reference.

The issuance of shares of Common Stock, the Common Stock Warrants, the Series B-3 Warrants and the Lock-Up Warrants described above were made in reliance upon the exemption from registration under Section 4(2) of the Securities Act and Rule 506 of Regulation D promulgated thereunder. The shares of Common Stock issued and the shares of Common Stock issuable upon exercise of the Common Stock Warrants, the Series B-3 Warrants and the Lock-Up Warrants and upon conversion of the Series B-3 Preferred Stock and were not or will not be registered under the Act and will be "restricted securities" as such term is defined by Rule 144 under the Securities Act.

2. Exercise.

2.1 Exercise Period. The Holder may exercise this Warrant at any time six months after the Issue Date and before the close of business in Norcross, Georgia on the seventh (7th) anniversary of the Issue Date (the "Exercise Period"), unless earlier terminated pursuant to Section 2.6 herein.

2.2 Exercise Procedure.

(a) This Warrant will be deemed to have been exercised at such time as the Company has received all of the following items (the "Exercise Date"):

(i) a completed Exercise Notice as described in Section 2.4 hereof, executed by the Person exercising all or part of the purchase rights represented by this Warrant (the "Purchaser");

(ii) this Warrant;

(iii) if this Warrant is not registered in the name of the Purchaser, an Assignment or Assignments in the form set forth in Exhibit B hereto, evidencing the assignment of this Warrant to the Purchaser together with any documentation required pursuant to Section 8(a) hereof; and

(iv) a check payable to the order of the Company in an amount equal to the product of the Exercise Price multiplied by the number of shares of Common Stock being purchased upon such exercise.

(b) As soon as practicable after the exercise of this Warrant in full or in part, and in any event within ten (10) days after the Exercise Date, the Company at its expense will cause to be issued in the name of and delivered to the Purchaser, or as the Purchaser (upon payment by the Purchaser of any applicable transfer taxes) may direct, a certificate or certificates for the number of fully paid and non-assessable shares of Common Stock to which the Purchaser shall be entitled upon such exercise, together with any other stock or other securities and property (including cash, where applicable) to which the Purchaser is entitled upon exercise.

(c) Unless this Warrant has expired or all of the purchase rights represented hereby have been exercised, the Company at its expense will, within ten (10) days after the Exercise Date, issue and deliver to or upon the order of the Purchaser a new Warrant or Warrants of like tenor, in the name of the Purchaser or as the Purchaser (upon payment by the Purchaser of any applicable transfer taxes) may request, calling in the aggregate on the face or faces thereof for the number of shares of Common Stock remaining issuable under this Warrant.

(d) The Common Stock issuable upon the exercise of this Warrant will be deemed to have been issued to the Purchaser on the Exercise Date, and the Purchaser will be deemed for all purposes to have become the record holder of such Common Stock on the Exercise Date.

(e) The issuance of certificates for shares of Common Stock upon exercise of this Warrant will be made without charge to the Holder or the Purchaser for any issuance tax in respect thereof or any other cost incurred by the Company in connection with such exercise and the related issuance of shares of Common Stock.

(f) The holder represents and warrants that at the time of any exercise of this warrant the holder is an "accredited investor," as such term is defined in Rule 501 promulgated under the Securities Act and acknowledges and agrees that the Company may, in its sole discretion, (i) require, as a condition to the exercise of this Warrant, that the holder provide such written evidence that such holder is an accredited investor as the time of exercise, and (ii) decline to issue the shares of Common Stock issuable upon such exercise if the Company is not satisfied that this warrant may be exercised by the holder pursuant to a valid registration exemption from the Securities Act and any applicable state securities law.

2.3 Acknowledgement of Continuing Obligations. The Company will, at the time of the exercise of this Warrant, upon the request of the Purchaser, acknowledge in writing its continuing obligation to afford to the Purchaser any rights to which the Purchaser shall continue to be entitled after such exercise in accordance with the provisions of this Warrant, provided that if the Purchaser shall fail to make any such request, such failure shall not affect the continuing obligation of the Company to afford to the Purchaser any such rights.

2.4 Exercise Notice. The Exercise Notice will be substantially in the form set forth in Exhibit A hereto, except that if the shares of Common Stock issuable upon exercise of this Warrant are not to be issued in the name of the Purchaser, the Exercise Notice will also state the name of the Person to whom the certificates for the shares of Common Stock are to be issued, and if the number of shares of Common Stock to be issued does not include all the shares of Common Stock issuable hereunder, it will also state the name of the Person to whom a new Warrant for the unexercised portion of the rights hereunder is to be delivered.

2.5 Fractional Shares. If a fractional share of Common Stock would, but for the provisions of Section 2.1 hereof, be issuable upon exercise of the rights represented by this Warrant, the Company will, within ten (10) days after the Exercise Date, deliver to the Purchaser a check payable to the Purchaser in lieu of such fractional share, in an amount equal to the Market Value of such fractional share as of the close of business on the Exercise Date.

3. Adjustments.

3.1 Adjustments for Stock Splits, Etc. If the Company shall at any time after the Issue Date subdivide its outstanding Common Stock, by split-up or otherwise, or combine its outstanding Common Stock, or issue additional shares of its capital stock in payment of a stock dividend in respect of its Common Stock, the number of shares issuable on the exercise of the unexercised portion of this Warrant shall forthwith be proportionately increased in the case of a subdivision or stock dividend, or proportionately decreased in the case of a combination, and the Exercise Price then applicable to shares covered by the unexercised portion of this Warrant shall forthwith be proportionately decreased in the case of a subdivision or stock dividend, or proportionately increased in the case of combination.

3.2 Adjustment for Reclassification, Reorganization, Etc. In case of any reclassification, capital reorganization, or change of the outstanding Common Stock (other than as a result of a subdivision, combination or stock dividend), or in the case of any consolidation of the Company with, or merger of the Company into, another Person (other than a consolidation or merger in which the Company is the continuing corporation and which does not result in any reclassification or change of the outstanding Common Stock of the Company), or in case of any sale or conveyance to one or more Persons of the property of the Company as an entirety or substantially as an entirety at any time prior to the expiration of this Warrant, then, as a condition of such reclassification, reorganization, change, consolidation, merger, sale or conveyance, lawful provision shall be made, and duly executed documents evidencing the same from the Company or its successor shall be delivered to the Holder of this Warrant, so that the Holder of this Warrant shall have the right at any time prior to the expiration of this Warrant to purchase, at a total price not to exceed that payable upon the exercise of the unexercised portion of this Warrant, the kind and amount of shares of stock and other securities and property receivable upon such reclassification, reorganization, change, consolidation, merger, sale or conveyance by a holder of the number of shares of Common Stock of the Company as to which this Warrant was exercisable immediately prior to such reclassification, reorganization, change, consolidation, merger, sale or conveyance, and in any such case appropriate provision shall be made with respect to the rights and interests of the Holder of this Warrant to the end that the provisions hereof (including, without limitation, provisions for the adjustment of the Exercise Price and of the number of shares purchasable upon exercise of this Warrant) shall thereafter be applicable in relation to any shares of stock, and other securities and property, thereafter deliverable upon exercise hereof. If, as a consequence of any such transaction, solely cash, and no securities or other property of any kind, is deliverable upon exercise of this Warrant, then, in such event, the Company may terminate this Warrant by giving the Holder hereof written notice thereof. Such notice shall specify the date (at least thirty (30) days subsequent to the date on which notice is given) on which, at 3:00 P.M., Norcross, Georgia time, this Warrant shall terminate. Notwithstanding any such notice, this Warrant shall remain exercisable, and otherwise in full force and effect, until such time of termination.

3.3 Certificate of Adjustment. Whenever the Exercise Price or the number of shares issuable hereunder is adjusted, as herein provided, the Company shall promptly deliver to the registered Holder of this Warrant a certificate of the Treasurer of the Company, which certificate shall state (i) the Exercise Price and the number of shares of Common Stock issuable hereunder after such adjustment, (ii) the facts requiring such adjustment, and (iii) the method of calculation for such adjustment and increase or decrease.

3.4 Small Adjustments. No adjustment in the Exercise Price shall be required unless such adjustment would require an increase or decrease in the Exercise Price of at least one percent; provided, however, that any adjustments which by reason of this Section 3.5 are not required to be made immediately shall be carried forward and taken into account at the time of exercise of this Warrant or any subsequent adjustment in the Exercise Price which, singly or in combination with any adjustment carried forward, is required to be made under Sections 3.1 or 3.2.

4. Reservation of Stock, etc., Issuable on Exercise of Warrant. The Company will at all times reserve and keep available, solely for issuance and delivery upon the exercise of this Warrant, all shares of Common Stock from time to time issuable upon the exercise of this Warrant.

5. Disposition of This Warrant, Common Stock, Etc.

(a) The Holder of this Warrant and any transferee hereof or of the Common Stock with respect to which this Warrant may be exercisable, by their acceptance hereof, hereby understand and agree that this Warrant and the Common Stock with respect to which this Warrant may be exercisable have not been registered under the Securities Act, and may not be sold, pledged, hypothecated, donated, or otherwise transferred (whether or not for consideration) without an effective registration statement under the Act or an opinion of counsel satisfactory to the Company and/or submission to the Company of such other evidence as may be satisfactory to counsel to the Company, in each such case, to the effect that any such transfer shall not be in violation of the Act. It shall be a condition to the transfer of this Warrant that any transferee thereof deliver to the Company its written agreement to accept and be bound by all of the terms and conditions of this Warrant. The foregoing notwithstanding, the Company acknowledges its obligations as set forth in the Subscription Agreement to register the shares of Common Stock issuable upon exercise hereof.

(b) Except to the extent the resale of the shares of Common Stock issuable upon exercise hereof are registered for resale, or may be sold to the public pursuant to Rule 144(b)(1) under the Securities Act, the certificates of the Company that will evidence the shares of Common Stock with respect to which this Warrant may be exercisable will be imprinted with a conspicuous legend in substantially the following form:

“THE SECURITIES REPRESENTED BY THIS CERTIFICATE HAVE NOT BEEN REGISTERED UNDER THE SECURITIES ACT OF 1933, AS AMENDED (THE “ACT”), AND MAY NOT BE SOLD, PLEDGED, HYPOTHECATED, DONATED OR OTHERWISE TRANSFERRED (WHETHER OR NOT FOR CONSIDERATION) BY THE HOLDER WITHOUT AN EFFECTIVE REGISTRATION STATEMENT UNDER THE ACT OR AN OPINION OF COUNSEL SATISFACTORY TO THE COMPANY AND/OR SUBMISSION TO THE COMPANY OF SUCH OTHER EVIDENCE AS MAY BE SATISFACTORY TO COUNSEL TO THE COMPANY, IN EACH SUCH CASE, TO THE EFFECT THAT ANY SUCH TRANSFER SHALL NOT BE IN VIOLATION OF THE ACT.”

Except as set forth in the Subscription Agreement, the Company has not agreed to register any of the Holder’s shares of Common Stock of the Company with respect to which this Warrant may be exercisable for distribution in accordance with the provisions of the Securities Act, and the Company has not agreed to comply with any exemption from registration under the Act for the resale of the Holder’s shares of Common Stock with respect to which this Warrant may be exercised. Hence, it is the understanding of the Holder of this Warrant that by virtue of the provisions of certain rules respecting “restricted securities” promulgated by the SEC, the shares of Common Stock of the Company with respect to which this Warrant may be exercisable may be required to be held indefinitely, unless and until registered under the Securities Act (as contemplated by the Subscription Agreement), unless an exemption from such registration is available, in which case the Holder may still be limited as to the number of shares of Common Stock of the Company with respect to which this Warrant may be exercised that may be sold from time to time.

6. Rights and Obligations of Warrant Holder. The Holder of this Warrant shall not, by virtue hereof, be entitled to any voting rights or other rights as a stockholder of the Company. No provision of this Warrant, in the absence of affirmative actions by the Holder to purchase Common Stock of the Company by exercising this Warrant, and no enumeration in this Warrant of the rights or privileges of the Holder, will give rise to any liability of such Holder for the Exercise Price of Common Stock acquirable by exercise hereof or as a stockholder of the Company.

7. Transfer of Warrants. Subject to compliance with the restrictions on transfer applicable to this Warrant referred to in Section 5 hereof, this Warrant and all rights hereunder are transferable, in whole or in part, without charge to the registered Holder, upon surrender of this Warrant with a properly executed Assignment (in substantially the form attached hereto as Exhibit B), to the Company, and the Company at its expense will issue and deliver to or upon the order of the Holder hereof a new Warrant or Warrants in such denomination or denominations as may be requested, but otherwise of like tenor, in the name of the Holder or as the Holder (upon payment of any applicable transfer taxes) may direct.

8. Replacement of Warrants. Upon receipt of evidence reasonably satisfactory to the Company of the loss, theft, destruction or mutilation of any Warrant and, in the case of any such loss, theft or destruction, upon delivery of an indemnity agreement reasonably satisfactory in form and amount to the Company or, in the case of any such mutilation, upon surrender and cancellation of such Warrant, the Company at its expense will execute and deliver, in lieu thereof, a new Warrant of like tenor.

9. Company Records. Until this Warrant is transferred on the books of the Company, the Company may treat the registered Holder hereof as the absolute owner hereof for all purposes, notwithstanding any notice to the contrary.

10. Miscellaneous.

10.1 Notices. All notices and other communications from the Company to the Holder of this Warrant shall be mailed by first class mail, postage prepaid, to such address as may have been furnished to the Company in writing by such Holder, or, until an address is so furnished, to and at the address of the last Holder of this Warrant who has so furnished an address to the Company. All communications from the Holder of this Warrant to the Company shall be mailed by first class mail, postage prepaid, to Galectin Therapeutics, Inc., 4960 Peachtree Industrial Boulevard, Suite 240, Norcross, GA 30071, Attn: Chief Financial Officer, or such other address as may have been furnished to the Holder in writing by the Company.

10.2 Amendment and Waiver. Except as otherwise provided herein, this Warrant and any term hereof may be amended, waived, discharged or terminated only by an instrument in writing signed by the party against which enforcement of such amendment, waiver, discharge or termination is sought.

10.3 Governing Law; Descriptive Headings. This Warrant shall be construed and enforced in accordance with and governed by the laws of the State of Delaware. The headings in this Warrant are for purposes of reference only, and shall not limit or otherwise affect any of the terms hereof.

Furthermore, the undersigned understands that, as a condition to the Company’s acceptance of this Subscription, the undersigned must (i) maintain its status as an “accredited investor” as defined in Rule 501(a) of Regulation D promulgated under the Securities Act for so long as any Warrants remain exercisable and (ii) complete a Accredited Investor Questionnaire in the form attached hereto.

3. *Amount and Method of Payment.* The purchase price for the Units is the Unit Price multiplied by the number of Units purchased by the undersigned as set forth on the signature page hereof (the “**Purchase Price**”). The Purchase Price shall be paid by tender of a check made payable to Galectin Therapeutics, Inc. or wire transfer in immediately available funds to an account specified by the Company.

4. *Acceptance of Subscription.*

(a) The undersigned understands and agrees that the Company, in its sole discretion, reserves the right to accept or reject this or any other subscription for Units in whole or in part at any time prior to the Closing.

(b) In the event that this Subscription is rejected in whole or in part, the Company shall promptly return all or the applicable portion of the Purchase Price without interest to the undersigned, as the case may be, and this Subscription Agreement shall thereafter have no force or effect except with respect to the portion, if any, of this Subscription that is accepted by the Company.

5. *Registration Rights.*

(a) On or prior to the Filing Date, the Company shall prepare and file with the Commission a Registration Statement covering the resale of all of the Registrable Securities that are not then registered on an effective Registration Statement for an offering to be made on a continuous basis pursuant to Rule 415. Subject to the terms of this Subscription Agreement, the Company

shall use its commercially reasonable efforts to cause a Registration Statement filed under this Subscription Agreement to be declared effective under the Securities Act as promptly as possible after the filing thereof, but in any event no later than the applicable Effectiveness Date, and shall use its commercially reasonable efforts to keep such Registration Statement continuously effective under the Securities Act until the date that all Registrable Securities covered by such Registration Statement (i) have been sold, thereunder or pursuant to Rule 144, or (ii) may be sold without volume or manner-of-sale restrictions pursuant to Rule 144 and without the requirement for the Company to be in compliance with the current public information requirement under Rule 144, as determined by the counsel to the Company pursuant to a written opinion letter to such effect, addressed and acceptable to the Transfer Agent and the undersigned (the “**Effectiveness Period**”).

(b) Notwithstanding the registration obligations set forth in Section 5(a), if the Commission informs the Company that all of the Registrable Securities, including, for purposes hereof, all “Registrable Securities” under any other Purchaser’s Subscription Agreement accepted and agreed to by the Company, cannot, as a result of the application of Rule 415, be registered for resale as a secondary offering on a single registration statement, the Company agrees to promptly inform the undersigned thereof and use its commercially reasonable efforts to file amendments to the Initial Registration Statement as required by the Commission, covering the maximum number of Registrable Securities permitted to be registered by the Commission, on Form S-3 or such other form available to register for resale the Registrable Securities as a secondary offering, subject to the provisions of Section 5(e).

(d) In the event of a cutback hereunder, the Company shall give the undersigned at least five (5) Trading Days prior written notice along with the calculations as to the undersigned’s allotment. In the event the Company amends the Initial Registration Statement in accordance with the foregoing, the Company will use its commercially reasonable efforts to

file with the Commission, as promptly as allowed by Commission or SEC Guidance provided to the Company or to registrants of securities in general, one or more Registration Statements on Form S-3 or such other form available to register for resale those Registrable Securities that were not registered for resale on the Initial Registration Statement, as amended.

(e) If Form S-3 is not available for the registration of the resale of Registrable Securities hereunder, the Company shall (i) register the resale of the Registrable Securities on another appropriate form and (ii) undertake to register the Registrable Securities on Form S-3 as soon as such form is available, provided that the Company shall maintain the effectiveness of the Registration Statement then in effect until such time as a Registration Statement on Form S-3 covering the Registrable Securities has been declared effective by the Commission.

(f) Notwithstanding anything to the contrary contained herein, in no event shall the Company be permitted to name the undersigned or affiliate of the undersigned as any underwriter without the prior written consent of the undersigned.

(g) The undersigned agrees to furnish to the Company a completed questionnaire in the form attached to this Subscription Agreement as Annex A (a "**Selling Stockholder Questionnaire**") on a date that is not less than two (2) Trading Days prior to the Filing Date or as requested by the Company.

GALECTIN THERAPEUTICS ANNOUNCES \$4 MILLION IN NEW EQUITY FINANCINGS

Common and Preferred private placements completed at above market prices

NORCROSS, Ga. (December 29, 2016) – **Galectin Therapeutics Inc. (NASDAQ: GALT)**, the leading developer of therapeutics that target galectin proteins, today announced it has recently completed a private placement of its common stock, raising \$3,000,000 in new funding. In a separate transaction, the Company also closed an additional sale of its Series B-3 preferred stock resulting in \$1,008,000 of additional new proceeds.

In the placement of common stock, one existing investor and a new investor purchased 2,814,230 shares of common stock at above market price and received warrants for common stock exercisable at \$5.00 per share.

Following up under its September 22, 2016 stock purchase agreement, 10X Fund, L.P. made an additional purchase of 1,008,000 shares of Series B-3 preferred stock, which are convertible into 896,997 shares of common stock. The purchase price of the Series B preferred stock was \$1,008,000. Under the September 22, 2016 agreement, 10X Fund, L.P. also received warrants for common stock exercisable at \$3.00 per share.

“We are pleased to complete these private placements which will provide additional funding for our clinical programs, particularly our NASH-CX clinical trial,” stated Dr. Peter Traber, President, Chief Executive Officer and Chief Medical Officer of Galectin Therapeutics. “The NASH-CX trial is designed to assess the efficacy of our lead compound GR-MD-02 in patients with NASH cirrhosis. This trial was designed and is being conducted with a primary endpoint that the U.S. Food and Drug Administration views may be a surrogate for outcomes for registration trials in this patient population.”

The NASH-CX trial enrolled 162 liver biopsy-confirmed NASH cirrhosis patients into the treatment phase. Enrolled patients are receiving either 8 mg/kg or 2 mg/kg of GR-MD-02 or placebo every other week for 52 weeks, for a total of 26 doses. The primary study endpoint is a reduction in HVPG. Patients treated with GR-MD-02 will be evaluated to determine the change in HVPG as compared to patients treated with placebo. To date, over 50% of the patients have completed at least 50% of their expected doses. More than 2600 drug infusions have been administered with no drug-related serious adverse reactions. The top-line data readout of the NASH-CX trial remains on track for December, 2017.

“NASH cirrhosis represents a large unmet medical need with no currently approved therapies,” said Dr. Traber. “A drug that can halt progression of, or reverse existing fibrosis, in NASH cirrhosis patients would be a welcome therapeutic intervention that may prevent complications, alleviate the need for liver transplant, and prevent death.”

About GR-MD-02

GR-MD-02 is a complex carbohydrate drug that targets galectin-3, a critical protein in the pathogenesis of fatty liver disease and fibrosis. Galectin-3 plays a major role in diseases that involve scarring of organs including fibrotic disorders of the liver, lung, kidney, heart and vascular system. The drug binds to galectin proteins and disrupts their function. Preclinical data in animals have shown that GR-MD-02 has robust treatment effects in reversing liver fibrosis and cirrhosis.

About Galectin Therapeutics

Galectin Therapeutics is developing promising carbohydrate-based therapies for the treatment of fibrotic liver disease and cancer based on the Company's unique understanding of galectin proteins, which are key mediators of biologic function. Galectin seeks to leverage extensive scientific and development expertise as well as established relationships with external sources to achieve cost-effective and efficient development. The Company is pursuing a development pathway to clinical enhancement and commercialization for its lead compounds in liver fibrosis and cancer. Forward Looking Statements

This press release contains forward-looking statements within the meaning of the Private Securities Litigation Reform Act of 1995. These statements relate to future events or future financial performance, and use words such as "may," "estimate," "could," "expect" and others. They are based on management's current expectations and are subject to factors and uncertainties that could cause actual results to differ materially from those described in the statements. These statements include those regarding the hope that Galectin's development program for GR-MD-02 will lead to the first therapy for the treatment of NASH, or fatty liver disease, with cirrhosis and/or an additional therapy for the treatment of cancer. Factors that could cause actual performance to differ materially from those discussed in the forward-looking statements include, among others, that Galectin may not be successful in developing effective treatments and/or obtaining the requisite approvals for the use of GR-MD-02 or any of its other drugs in development. The Company's current clinical trial and any future clinical studies may not produce positive results in a timely fashion, if at all, and could prove time consuming and costly. Plans regarding development, approval and marketing of any of Galectin's drugs are subject to change at any time based on the changing needs of the Company as determined by management and regulatory agencies. Regardless of the results of any of its development programs, Galectin may be unsuccessful in developing partnerships with other companies or raising additional capital that would allow it to complete its current trials or further develop and/or fund further studies or trials. Galectin has incurred operating losses since inception, and its ability to successfully develop and market drugs may be impacted by its ability to manage costs and finance continuing operations. For a discussion of additional factors impacting Galectin's business, see the Company's Annual Report on Form 10-K for the year ended December 31, 2015, and subsequent filings with the SEC. You should not place undue reliance on forward-looking statements. Although subsequent events may cause its views to change, management disclaims any obligation to update forward-looking statements.
