Section 5 Corporate Governance and Management

Item 5.02 Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.

On May 23, 2013, the Compensation Committee of the Board of Directors of Galectin Therapeutics Inc. (“Galectin” or the “Company”) approved a cash bonus program and a stock option award program for fiscal 2013 for certain Galectin employees, including the Company’s named executive officers as disclosed in its 2013 proxy statement.

The cash bonus program provides for the payment of a cash bonus in January 2014 based on the Committee’s assessment of company performance and individual performance for fiscal 2013. The target payment for each of the named executive officers is as follows:

- Peter G. Traber, M.D. - Chief Executive Officer, Chief Medical Officer and President – 40% of salary;
- Jim C. Czirr – Executive Chairman – 35% of salary; and
- Harold Shlevin, Ph.D. – Chief Operating Officer – 30% of salary.

Fifty percent of the bonus will be paid based on company performance and fifty percent of the bonus will be paid based on individual performance. The Committee will adjust the payout downward from the target payout if it determines that the company and/or individual performance objectives have not been achieved. The Committee also has discretion to adjust payout amounts upward or downward by up to twenty-five percent regardless of the company and/or individual performance.

The stock option award program provides that certain Galectin employees, including the Company’s named executive officers, will receive option awards in December 2013. The number of options awarded at that time to the Company’s named executive officers will be based on assessment by the Compensation Committee and its recommendation to the Board of Directors who have final approval.

The options will vest twenty-five percent at the time of the award and the remainder will vest ratably each month over the course of three years. The options will allow for cashless exercise and will expire ten years from the date of grant consistent with the approved 2009 Incentive Compensation Plan.

Item 5.07 Submission of Matters to a Vote of Security Holders.

At the 2013 Annual Meeting of Stockholders held on May 23, 2013, the stockholders of Galectin re-elected each of the Company’s directors that had been nominated to serve until the next annual meeting or until their successors are elected and have been qualified. The stockholders also approved, by non-binding vote, a resolution to approve the compensation paid to Galectin’s named executive officers, as disclosed in its 2013 proxy statement, recommended that Galectin conduct a shareholder advisory vote on executive compensation every three years,

and ratified the selection of McGladrey LLP as the independent registered public accounting firm for the Company for the year ending December 31, 2013.

In light of the shareholder recommendation regarding the frequency of the shareholder advisory votes on executive compensation, it is the current intention of the Galectin Board of Directors to conduct a shareholder advisory vote on executive compensation every three years until the next required vote on the frequency of shareholder advisory votes on executive compensation.

The final results of the voting on each matter of business at the 2013 Annual Meeting are as follows:
