QUESTIONS AND ANSWERS ABOUT THE ANNUAL MEETING AND VOTING

Why is the annual meeting held in a virtual, online-only format this year?

We are holding our 2022 annual meeting in a virtual, online-only format this year due to the continuing travel and other impacts of the coronavirus outbreak (COVID-19). We believe that the virtual meeting format will facilitate stockholder attendance and participation at the annual meeting during the COVID-19 pandemic by enabling stockholders to participate remotely from any location.

What is the purpose of the annual meeting?

Our 2022 Annual Meeting will be held for the following purposes:

1. To elect the eleven nominees named in this proxy statement for director to hold office until the 2023 annual meeting of our stockholders.
2. To ratify the selection by the Audit Committee of the Board of Directors of Cherry Bekaert LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2022.
3. To authorize and approve, for purposes of complying with Nasdaq Listing Rule 5635, the issuance of more than 20% of our issued and outstanding shares of common stock in connection with our line of credit provided by Richard E. Uihlein, our Chairman of the Board of Directors. The number of shares to be issued includes a maximum of 20,000,000 common shares in exchange for \$60,000,000 for the principal of the line of credit, 1,700,000 of common shares for stock purchase warrants issued in connection with the line of credit, and common shares issuable in exchange for accrued interest on the line of credit.
4. To vote on a non-binding advisory resolution to approve executive compensation.
5. To transact such other business as may properly come before the meeting or any adjournments of the 2021 Annual Meeting.

Who can vote?

You may vote if you were a stockholder of Galectin Therapeutics as of the close of business on the record date, October 10, 2022. Shares outstanding on the record date are the following:

- 59,426,005 shares of common stock, par value \$0.001 per share (“Common Stock”)
- 1,260,000 shares of Series A 12% Convertible Preferred Stock, par value \$0.01 per share (“Series A Preferred Stock”).

The shares of Series A Preferred Stock vote on an as-converted basis with the shares of Common Stock. The shares of our Series C Super Dividend Convertible Preferred Stock, par value \$0.01 per share (“Series C Preferred Stock”) do not have voting rights prior to conversion to Common Stock. The shares of the Series A Preferred Stock and the Series C Preferred Stock are hereafter referred to as the “Preferred Stock”.

How many votes do I have?

Each share of our Common Stock that you own on the record date entitles you to one vote on each matter subject to a vote. Each share of Series A Preferred Stock that you own on the record date entitles you to one-sixth vote (i.e. six shares of Series A Preferred Stock equals one vote) on each matter that is submitted to a vote of holders of our Common Stock.

Directors and executive officers of Galectin Therapeutics own or control the voting of 16,845,479 shares of Common Stock or the common equivalent of voting Preferred Stock, representing approximately 28% of the total outstanding voting shares at the record date. We expect all of these shares will be voted **FOR** all of the proposals as described in this proxy statement.

How do I vote?

If you are the record holder of your shares, meaning that you own your shares in your own name and not through a bank or brokerage firm, you may vote as follows:

1. **You may vote by mail.** You may vote by completing and signing the proxy card enclosed with this proxy statement (or by requesting a paper copy of the materials if you only received an electronic version) and promptly mailing it in the enclosed postage-prepaid envelope. You do not need to put a stamp on the enclosed envelope if you mail it from the United States. The shares you own will be voted according to your instructions on the proxy card you mail. If you return the proxy card, but do not give any instructions on a particular matter described in this proxy statement, the shares you own will be voted in accordance with the recommendations of our Board of Directors.
2. **You may vote by Internet prior to the 2022 Annual Meeting.** You may vote over the Internet as instructed on the proxy card enclosed with this proxy statement and accessing www.proxyvote.com. The shares you own will be voted according to your instructions on the proxy card submitted electronically. If you return the proxy card, but do not give any instructions on a particular matter described in this proxy statement, the shares you own will be voted in accordance with the recommendations of our Board of Directors.
3. **You may vote during the 2022 Annual Meeting.** If you attend the 2022 Annual Meeting virtually by visiting www.virtualshareholdermeeting.com/GALT2022 at 11:00 a.m. Eastern Standard Time on December 1, 2022, you may vote during the 2022 Annual Meeting. You will need the 16-digit control number included on your notice of Internet availability of the proxy materials, on your proxy card or on the instructions that accompanied your proxy materials.

How does the Board of Directors recommend that I vote on the proposals?

The Board of Directors recommends that you vote:

FOR the election of each of the eleven nominees to serve as directors on the Board of Directors until our 2023 annual meeting of stockholders.

FOR the ratification of the selection of Cherry Bekaert LLP, as our independent registered public accounting firm for the 2022 fiscal year.

FOR, authorizing and approving, for purposes of complying with Nasdaq Listing Rule 5635, the issuance of more than 20% of our issued and outstanding shares of common stock in connection with our line of credit provided by Richard E. Uihlein, our Chairman of the Board of Directors. The number of shares to be issued includes a maximum of 20,000,000 common shares in exchange for \$60,000,000 for the principal of the line of credit, 1,700,000 of common shares for stock purchase warrants issued in connection with the line of credit, and common shares issuable in exchange for accrued interest on the line of credit.

FOR approving, on a non-binding basis, executive compensation.

Is my vote important?

Your vote is important no matter how many shares you own. Please take the time to vote. Take a moment to read the instructions in this proxy statement. Choose the way to vote that is the easiest and most convenient for you and cast your vote as soon as possible.

What if I return a proxy card but do not make specific choices?

Any proxy card returned without directions given will be voted (1) “**FOR**” the election of the nominees presented in this proxy statement to the Board of Directors, (2) “**FOR**” the ratification of the appointment of Cherry Bekaert LLP as our independent registered public accounting firm to audit the financial statements for our 2022 fiscal year, (3) “**FOR**” authorizing and approving, for purposes of complying with Nasdaq Listing Rule 5635, the issuance of more than 20% of our issued and outstanding shares of common stock in connection with our line of credit provided by Richard E. Uihlein, our Chairman of the Board of Directors, (4) “**FOR**” approving on a non-binding basis, executive compensation, and (5) as to any other business that may come before the 2022 Annual Meeting, in accordance with the judgment of the person or persons named in the proxy.

Will my shares be voted if I do not provide my proxy?

Your shares may be voted if they are held in the name of a brokerage firm, even if you do not provide the brokerage firm with voting instructions. Brokerage firms have the authority to vote shares for which their customers do not provide voting instructions on certain “routine” matters.

The proposals relating to the election of directors, approval of shares of common stock upon conversion, exchange or otherwise to Richard E. Uihlein and approval, on a non-binding basis, executive compensation are not considered “routine” under applicable rules. When a proposal is not a routine matter and the brokerage firm has not received voting instructions from the beneficial owner of the shares with respect to that proposal, the brokerage firm cannot vote the shares on this proposal. This is called a “broker non-vote.”

The proposal to ratify the selection of Cherry Bekaert LLP as our independent auditor for fiscal year 2022, is considered a routine matter for which brokerage firms may (or may not) vote shares for which they have not received voting instructions. In recent years, several large brokerage firms, such as Charles Schwab and TD Ameritrade have announced that they have eliminated discretionary voting for even “routine” matters. Therefore, if you hold your shares through such brokerage firms, then your shares might not be voted, even for “routine” matters if you do not give voting instruction to your broker. Therefore, we urge every shareholder to vote their shares

Can I change my vote after I have mailed my proxy card or after I have voted my shares?

Yes. You can change your vote and revoke your proxy at any time before the polls close at the meeting by doing any one of the following things:

- signing another proxy with a later date;
- giving our Corporate Secretary, Jack W. Callicutt, written notice to that effect. He may be contacted at 4960 Peachtree Industrial Blvd., Suite 240, Norcross, GA 30071; telephone: 678-620-3186; e-mail: callicutt@gallectintherapeutics.com;
- voting again prior to the time at which the Internet voting facilities close by following the procedures applicable to that method of voting, as directed on the enclosed proxy card; or
- attending the 2022 Annual Meeting virtually via the Internet and voting during the meeting.

How can I access the proxy materials over the internet?

You may view and also download our proxy materials, including the 2021 Annual Report, our Form 10-K for the year ended December 31, 2021, and the Notice by accessing www.proxyvote.com and on our website at www.gallectintherapeutics.com

Who pays for the solicitation of Proxies?

The solicitation of proxies in the enclosed form is made on behalf of the Board of Directors. Our officers, directors and employees may solicit proxies but will not be additionally compensated for such activities. We are also working with brokerage houses and other custodians, nominees and fiduciaries to forward solicitation materials to the beneficial owners of shares held of record by such institutions and persons. We will reimburse their reasonable expenses.

What is the quorum requirement?

A quorum of stockholders is necessary to hold a valid meeting. A quorum will be present if at least one-third of the outstanding shares entitled to vote are represented by stockholders present at the meeting or by proxy. On the record date, there were 59,605,805 shares of Common Stock outstanding or deemed outstanding based on voting rights of Series A Preferred Stock on an as-converted basis. Thus, 19,868,602 shares must be represented by stockholders present at the meeting or by proxy to have a quorum.

Your shares will be counted towards the quorum only if you submit a valid proxy (or one is submitted on your behalf by your broker, bank or other nominee) or if you vote in person at the meeting. Abstentions and broker non-votes will be counted towards the quorum requirement. If a quorum is not present, the meeting will be adjourned until a quorum is obtained.

What vote is required for each item to pass?

Election of Directors. Directors are elected by a plurality of the votes cast by the holders of shares entitled to vote in the election. There are eleven nominees and eleven positions to be filled; this means that the eleven individuals receiving the most votes will be elected. Abstentions and broker non-votes will not be relevant to the outcome, but abstentions and votes “withheld” are counted for the purpose of establishing a quorum.

Ratification of independent registered public accounting firm. The votes cast “for” must exceed the votes cast “against” in order to ratify the selection of Cherry Bekaert LLP, as our independent registered public accounting firm. Abstentions will be counted for the purpose of establishing a quorum but will not be relevant to the outcome.

Approval of the Issuance of Shares to Richard E. Uihlein. The votes cast “for” must exceed the votes cast “against” in order to approve, for purposes of complying with Nasdaq Listing Rule 5635, the issuance of more than 20% of our issued and outstanding shares of common stock in connection with our line of credit provided by Richard E. Uihlein, our Chairman of the Board of Directors. The number of shares to be issued includes a maximum of 20,000,000 common shares in exchange for \$60,000,000 for the principal of the line of credit, 1,700,000 of common shares for stock purchase warrants issued in connection with the line of credit, and common shares issuable in exchange for accrued interest on the line of credit. Abstentions will be counted for the purpose of establishing a quorum but will not be relevant to the outcome.

Approval of Say on Pay. The votes cast “for” must exceed the votes cast “against” in order to approve, on a non-binding basis, executive compensation. Abstentions will be counted for the purpose of establishing a quorum but will not be relevant to the outcome.

The proposals relating to the election of directors, approval of shares of common stock upon conversion, exchange or otherwise to Richard E. Uihlein, and approval, on a non-binding basis, executive compensation are not considered “routine” under applicable rules. When a proposal is not a routine matter and the brokerage firm has not received voting instructions from the beneficial owner of the shares with respect to that proposal, the brokerage firm cannot vote the shares on this proposal. This is called a “broker non-vote.”

If your shares are held in street name and you do not provide voting instructions to your broker, bank or other nominee, your broker is entitled to vote your shares with respect to the proposals to ratify the selection of Cherry Bekaert LLP as our independent auditor for fiscal year 2022, because these proposals are considered routine matters for which brokerage firms may (or may not) vote shares for which they have not received voting instructions. In recent years, several large brokerage firms, such as Charles Schwab and TD Ameritrade have announced that they have eliminated discretionary voting for even “routine” matters. Therefore, we urge every shareholder to vote their shares.

What is “householding”?

SEC rules permit companies and intermediaries such as brokers to satisfy delivery requirements for proxy statements with respect to two or more stockholders sharing the same address by delivering a single proxy statement addressed to those stockholders. This process is called “householding.” This reduces the volume of duplicate information received at your household and helps to reduce costs. We may household your materials based on your prior express or implied consent. A number of brokerage firms have instituted householding. Once a stockholder has received notice from his or her broker that the broker will be householding communications to the stockholder’s address, householding will continue until the stockholder is notified otherwise or until one or more of the stockholders revokes his or her consent.

If you would like to receive your own set of our proxy statement and related materials now or in the future, or if you share an address with another Galectin Therapeutics stockholder and together both of you would like to receive only a single set of our proxy materials in the future, please contact your broker (if you hold your shares in “street name”). Be sure to indicate your name, the name of your brokerage firm or bank, and your account number(s). You can also request prompt delivery of a copy of the proxy statement and related materials by contacting our Corporate Secretary at Galectin Therapeutics, 4960 Peachtree Industrial Blvd., Suite 240, Norcross, GA 30071, Attention: Corporate Secretary; telephone: 678-620-3186; e-mail: callicutt@galectintherapeutics.com.

How and when may I submit a stockholder proposal for next year’s annual meeting?

To be considered for inclusion in next year’s proxy materials, your proposal must be submitted in writing to our Corporate Secretary at 4960 Peachtree Industrial Blvd., Suite 240, Norcross, GA 30071. With respect to proposals made pursuant to Rule 14a-8 promulgated under the Securities Exchange Act of 1934 (the “Exchange Act”), the proposal must be received by our Corporate Secretary by June 19, 2023 for inclusion in our proxy statement and form of proxy. In addition, all stockholder proposals submitted outside of the stockholder proposal rules promulgated pursuant to Rule 14a-8 under the Exchange Act, including nominations of director candidates, must be received by our Corporate Secretary by no later than September 2, 2023 nor earlier than August 3, 2023, in order to be considered timely.

Notwithstanding the foregoing, if the date of the 2023 annual meeting of stockholders is scheduled to take place on a date that is more than 30 calendar days from the one year anniversary of the 2022 Annual Meeting of Stockholders, then we will promptly disclose, by filing a current report on Form 8-K, the date by which a nominating stockholder or nominating-stockholder group must submit a proposal to us (i) pursuant to Rule 14a-8 promulgated under the Exchange Act or (ii) outside of the stockholder proposal rules promulgated pursuant to Rule 14a-8 under the Exchange Act, including nominations of director candidates.

You are also advised to review our bylaws, which contain additional requirements about advance notice of stockholder proposals and director nominations.

Where can I find the voting results?

We will report the voting results on Form 8-K within four business days after the end of our 2022 Annual Meeting of stockholders. If final voting results are not available to us in time to file a current report on Form 8-K within four business days after the 2022 Annual Meeting, we intend to file a current report on Form 8-K to publish preliminary results and, within four business days after the final results are known to us, file an additional current report on Form 8-K to publish the final results.

SECURITY OWNERSHIP OF CERTAIN BENEFICIAL OWNERS AND MANAGEMENT

The following table sets forth, as of September 1, 2022, certain information concerning the beneficial ownership of our Common Stock and Series A Preferred Stock by (i) each person known by us to own beneficially five percent (5%) or more of the outstanding shares of each class, (ii) each of our directors, new director nominee and named executive officers, and (iii) all of our executive officers, directors and new director nominee as a group. The table also sets forth, in its final column, the combined voting power of the voting securities on all matters presented to the stockholders for their approval at the 2022 Annual Meeting.

The number of shares beneficially owned by each 5% stockholder, director or executive officer is determined under the rules of the Securities and Exchange Commission, or SEC, and the information is not necessarily indicative of beneficial ownership for any other purpose. Under those rules, beneficial ownership includes any shares as to which the individual or entity has sole or shared voting power or investment power and also any shares that the individual or entity has the right to acquire within 60 days after September 1, 2022 through the exercise of any stock option, warrant or other right, or the conversion of any security. Unless otherwise indicated, each person or entity has sole voting and investment power (or shares such power with his or her spouse) with respect to the shares set forth in the following table. The inclusion in the table below of any shares deemed beneficially owned does not constitute an admission of beneficial ownership of those shares.

Amendments to the Code of Ethics and any grant of a waiver from a provision of the Code of Ethics requiring disclosure under applicable SEC rules will be disclosed on our website.

Hedging Policy

At this time, the Company has not adopted a policy regarding the ability of officers, directors and employees to purchase financial instruments (including prepaid variable forward contracts, equity swaps, collars, and exchange funds) or otherwise engage in transactions, that hedge or offset, or are designed to hedge or offset, any decrease in the market value of the Company's equity securities.

Policies with Respect to Transactions with Related Persons

The Nominating and Corporate Governance Committee and the Board have adopted a Code of Ethics, which is available at www.galectintherapeutics.com, that sets forth various policies and procedures intended to promote the ethical behaviour of the Company's employees, officers and directors. The Code of Ethics describes our policy on conflicts of interest.

The executive officers and the Board are also required to complete a questionnaire on an annual basis that requires them to disclose any related person transactions and potential conflicts of interest. The responses to these questionnaires are reviewed by outside corporate counsel, and, if a transaction is reported by an independent director or executive officer, the questionnaire is submitted to the Chairperson of the Audit Committee for review. If necessary, the Audit Committee will determine whether the relationship is material and will have any effect on the director's independence. After making such determination, the Audit Committee will report its recommendation on whether the transaction should be approved or ratified by the entire Board.

Certain Relationships and Related Transactions

Except as set forth below, since the beginning of fiscal year 2021, we did not participate in any transactions in which any of the Company Nominees, Series B Directors or Series B Nominees, executive officers, any beneficial owner of more than 5% of our common stock, nor any of their immediate family members, had a direct or indirect material interest.

Our Audit Committee Charter requires that members of the Audit Committee, all of whom are independent directors, conduct an appropriate review of, and be responsible for the oversight of, all related party transactions on an ongoing basis. Except as set forth below, there were no related party transactions during the fiscal year ended December 31, 2020.

On April 16, 2021, the Company and Richard E. Uihlein entered into a debt financing arrangement whereby Mr. Uihlein loaned ten million dollars to Company. In consideration for the loan, the Company issued a convertible promissory note (the "April 2021 Note") in the principal amount of ten million dollars. The April 2021 Note has maturity date of April 16, 2025 and is convertible into the Company's common stock at a conversion price equal to \$5.00 per share at the option of the noteholder, which was 228% of the closing price of our stock on April 16, 2021. The April 2021 Note bears interest on at the rate of two percent (2%) per annum, compounded annually, and accrues additional interest at a rate of two and one-half percent (2.5%) per quarter (the "Additional Interest") beginning on the date of issuance of the April 2021 Note and ending on the maturity date, provided however, that such Additional Interest is payable if and only if the noteholder elects to convert the entire balance of the April 2021 Note into the Company's common stock.

On September 17, 2021, the Company and Richard E. Uihlein entered into an additional debt financing arrangement for \$20 million whereby Mr. Uihlein loaned ten million dollars to Company upon signing the agreement with an additional ten million dollar loan to close in December 2021. In consideration for the initial loan, the Company issued a convertible promissory note (the "September 2021 Note") in the principal amount of ten million dollars. The September 2021 Note has maturity date of September 17, 2025 and is convertible into the Company's common stock at a conversion price equal to \$8.64 per share at the option of the noteholder, which is 228% of the closing price of our stock on September 16, 2021. The September 2021 Note bears interest on at the rate of two percent (2%) per annum, compounded annually, and accrues additional interest at a rate of

two and one-half percent (2.5%) per quarter (the “Additional Interest”) beginning on the date of issuance of the September 2021 Note and ending on the maturity date, provided however, that such Additional Interest is payable if and only if the noteholder elects to convert the entire balance of the September 2021 Note into the Company’s common stock. The second additional note for \$10 million is expected to close on December 17, 2021. The terms of the second additional note will be the same as for the September 2021 Note, and the conversion price will be the greater of 228% of the closing price of our common stock the day prior to closing or \$5.00, whichever is greater.

The Company had a \$10 million line of credit (“Line of Credit”) arrangement with Richard E. Uihlein that was entered into in December 2017. The Line of Credit was most recently extended in January 2019 to make one or more borrowings available until December 31, 2021, with repayment due on December 31, 2022. There have been no borrowings under the Line of Credit, and it will be terminated in connection with the December 17, 2021 additional debt financing described above.

On July 25, 2022, the Company and Richard E. Uihlein (the “Lender”) entered into a Line of Credit Letter Agreement (the “Credit Agreement”), pursuant to which the Lender shall provide the Company a line of credit of up to \$60.00 million (the “Line of Credit”) to finance the Company’s working capital needs. The Company may draw upon the Line of Credit through July 31, 2024.

Each advance made pursuant to the Credit Agreement shall be evidenced by an unsecured, convertible promissory note (individually, a “Promissory Note,” and collectively, the “Promissory Notes”), and bear interest at the Applicable Federal Rate for short term loans (currently 2.84%), plus two (2%) percent. Principal and interest on the Promissory Notes are due on or before January 31, 2026. Only with the consent of the Lender, may the Promissory Notes be prepaid, in whole or in part, at any time without premium or penalty, but with interest on the amount or amounts prepaid.

At the election of Lender, the principal and accrued interest on Promissory Note(s) may be converted into the number of shares of the Company’s Common Stock equal to the amount of principal and accrued interest on such Promissory Note divided by the price equal to the closing price of the Common Stock on the date of such Promissory Note, but in no event less than \$3.00 per share.

In connection with the Credit Agreement, the Company agreed to issue the Lender warrants to purchase up to an aggregate of 1,700,000 shares of the Company’s common stock, par value \$0.001 per share (collectively, the “Warrants”). Upon execution of the Credit Agreement, the Company issued the Lender a Warrant to purchase up to 500,000 shares of Company’s Common Stock at an exercise price of \$5.00 per share, which Warrant is exercisable upon issuance. Further, pursuant to the Credit Agreement, the Company shall issue to the Lender additional Warrants to purchase up to the remaining 1,200,000 shares of the Company’s common stock, ratably, upon borrowings under the Credit Agreement, with exercise prices equal to 150% of the closing price of the Company’s common stock on the date of the Promissory Note evidencing such draw, but in no event more than \$10.00 per share nor less than \$3.00 per share. The Warrants expire on July 31, 2029.

Compensation Committee Interlocks and Insider Participation

None of our executive officers or directors serves as a member of the board of directors or compensation committee of any entity that has one or more of its executive officers serving as a member of our Board of Directors or Compensation Committee.

Director Nomination Process

The Nominating and Corporate Governance, or Nominating Committee, is responsible for, among other things, selection of candidates for the annual slate of directors other than nominees, if any, nominated by parties that have a contractual right to nominate persons for election. For the 2022 Annual Meeting, 10X Fund L.P., pursuant to its contractual right under warrants that it holds, nominated James C. Czirr, who has been a director since February 2009. Mr. Czirr’s nomination has been accepted by each of the Nominating Committee and the Board.

When identifying and evaluating candidates, the Nominating Committee first determines whether there are any evolving needs of the Board that require an expert in a particular field. The Nominating Committee may retain a third-party search firm to assist it in locating qualified candidates that meet the needs of the Board at that time. The search firm would provide information on a number of candidates, which the Nominating

TABLE OF CONTENTS

Committee discusses. The Nominating Committee chair and some or all of the members of the Nominating Committee, and the Chief Executive Officer, will interview potential candidates that the Nominating Committee deems appropriate. If the Nominating Committee determines that a potential candidate meets the needs of the Board, has the qualifications, and meets the independence standards required by NASDAQ rules, it will recommend the nomination of the candidate to the Board. It is the Nominating Committee's policy to consider director candidates recommended by stockholders, if such recommendations are properly submitted to the Company. Stockholders wishing to recommend persons for consideration by the Nominating Committee as nominees for election to the Board can do so by writing to the Corporate Secretary of Galectin Therapeutics Inc. at 4960 Peachtree Industrial Blvd., Suite 240, Norcross, GA 30071. Recommendations must include the proposed nominee's name, biographical data and qualifications, as well as a written statement from the proposed nominee consenting to be named and, if nominated and elected, to serve as a director. Recommendations must also follow the Company's procedures for nomination of directors by stockholders (see the information under the subheadings "Nominating and Corporate Governance Committee" and "Criteria and Diversity"). The Nominating Committee will consider the candidate and the candidate's qualifications in the same manner in which it evaluates nominees identified by the Nominating Committee. The Nominating Committee may contact the stockholder making the nomination to discuss the qualifications of the candidate and the stockholder's reasons for making the nomination. The Nominating Committee may then interview the candidate if it deems the candidate to be appropriate. The Nominating Committee may use the services of a third-party search firm to provide additional information about the candidate prior to making a recommendation to the Board.

The Nominating Committee's nomination process is designed to ensure that the Nominating Committee fulfills its responsibility to recommend candidates who are properly qualified to serve the Company for the benefit of all of its stockholders, consistent with the standards established by the Nominating Committee under our corporate governance principles. The Nominating Committee did not receive any director nominee recommendations from stockholders for the 2022 Annual Meeting.

Communication with the Board

The Board and management encourage communication from our stockholders. Stockholders who wish to communicate with our management should direct their communication to the Corporate Secretary of the Company, 4960 Peachtree Industrial Blvd., Suite 240, Norcross, GA 30071. Stockholders, or other interested parties, who wish to communicate with the non-management directors, or any individual director should direct their communication c/o the Corporate Secretary at the address above. The Secretary will forward communications intended for the Board to the Chairman of the Nominating and Corporate Governance Committee of the Board, currently Dr. Amelio, or, if intended for an individual director, to that director. If multiple communications are received on a similar topic, the Secretary may, in his or her discretion, forward only representative correspondence. Any communications that are abusive, in bad taste or present safety or security concerns may be handled differently.

Board Leadership Structure

Our Board structure, which separates the positions of Chairman and Chief Executive Officer, allows the Chairman to focus on the management of the Board of Directors and the CEO to focus on the management of the Company and the research and clinical trials that it is undertaking. Independent directors and management have different perspectives and roles in strategy development. Our independent directors bring experience, oversight and expertise from outside the Company and industry. The Board believes that the separation of the roles of the Chairman and Chief Executive Officer promotes strategy development and execution, and facilitates information flow between management and the Board, which are essential to effective governance.

Executive Sessions

Pursuant to our corporate governance principles or as required by NASDAQ rules, non-management directors of the Board meet from time to time without the presence of management. The Chairman generally chairs these sessions.

Meeting Attendance

During 2021, there were 7 meetings of the Board. Each currently serving director attended at least 75% of the total meetings of the Board and committees of the Board of which the director was a member, during the

TABLE OF CONTENTS

time such person was a director. In addition to participation at Board and committee meetings, our directors discharge their responsibilities throughout the year through personal meetings and other communications, including considerable telephone contact with the Chairman and Chief Executive Officer and others regarding matters of interest and concern to the Company.

We do not have a formal policy requiring members of the Board to attend the annual meeting, although all directors are strongly encouraged to attend. At the 2021 annual meeting of stockholders, which was held virtually online, all of the then current board members were present.

Risk Management

The Board has an active role, as a whole and also at the committee level, in overseeing management of our risks. The Board regularly reviews information regarding our credit, liquidity and operations, as well as the risks associated with each. The Compensation Committee of our Board is responsible for overseeing the management of risks relating to our executive compensation plans and arrangements. The Audit Committee of our Board oversees management of financial risks. The Nominating and Corporate Governance Committee of our Board manages risks associated with the independence of the Board members and potential conflicts of interest. While each committee is responsible for evaluating certain risks and overseeing the management of such risks, the entire Board of Directors is regularly informed through committee reports about such risks.

We believe that any risks arising from our policies and programs are not reasonably likely to have a material adverse effect on the Company. Our programs reflect sound risk management practices including:

- Use of multiple compensation vehicles that provide a balance of long- and short-term incentives with fixed and variable components; and
- Equity incentive awards that generally vest over several years, so while the potential compensation payable for equity incentive awards is tied directly to appreciation of our stock price, taking excessive risk for a short-term gain is discouraged because it would not maximize the value of equity incentive awards over the long-term.

Criteria and Diversity

In considering whether to recommend any candidate for inclusion in the Board's slate of recommended director nominees (other than the candidate nominated by 10X Fund L.P.), the Nominating and Corporate Governance Committee will apply the criteria set forth in governance guidelines. These criteria include the candidate's integrity, business acumen, age, experience, commitment, diligence, conflicts of interest and the ability to act in the interests of all stockholders. Our guidelines specify that the value of diversity on the Board should be considered by the Nominating and Corporate Governance Committee in the director identification and nomination process. The Nominating and Corporate Governance Committee seeks nominees with a broad diversity of experience, professions, skills, geographic representation and backgrounds. The Nominating and Corporate Governance Committee does not assign specific weights to particular criteria, and no particular criterion is necessarily applicable to all prospective nominees. We believe that the backgrounds and qualifications of the directors, considered as a group, should provide a significant composite mix of experience, knowledge and abilities that will allow the Board to fulfill its responsibilities. Nominees are not discriminated against on the basis of race, religion, national origin, sexual orientation, disability or any other basis proscribed by law.

EXECUTIVE COMPENSATION

COMPENSATION PHILOSOPHY DISCUSSION

The Compensation Committee is responsible for creating and reviewing the compensation of the Company’s executive officers, as well as overseeing the Company’s compensation and benefit plans and policies and administering the Company’s equity incentive plans. The following Compensation Philosophy Discussion (“Compensation Discussion”) describes our 2021 executive compensation program and explains the Company’s compensation philosophy, policies, and practices, focusing primarily on the compensation of our named executive officers, or NEOs. This Compensation Discussion is intended to be read in conjunction with the tables that follow, which provide detailed historical compensation information for our following NEOs:

Name	Title
Joel Lewis	Chief Executive Officer and President
Pol F. Boudes, M.D.	Chief Medical Officer
Jack W. Callicutt	Chief Financial Officer

Compensation Philosophy

The Company believes in providing a competitive total compensation package to its executives through a combination of base salary, annual performance bonuses, and long-term equity awards. The executive compensation program is designed to achieve the following objectives:

- provide competitive compensation that will help attract, retain and reward qualified executives;
- align executives’ interests with our success by making a portion of the executive’s compensation dependent upon corporate performance; and
- align executives’ interests with the interests of stockholders by including long-term equity incentives.

The Compensation Committee believes that the Company’s executive compensation program should include annual and long-term components, including cash and equity-based compensation, and should reward consistent performance that meets or exceeds expectations. The Compensation Committee evaluates both performance and compensation to make sure that the compensation provided to executives remains competitive relative to compensation paid by companies of similar size and stage of development operating in the life sciences industry and taking into account the Company’s relative performance and its own strategic objectives.

Executive Compensation Review and Design

The Company has historically conducted a review of the aggregate level of its executive compensation, as well as the mix of elements used to compensate its NEOs. The Company has based this review primarily on the experience of the members of the Compensation Committee and our Board, many of whom sit on the boards of directors of, or have previously advised, numerous companies, including companies in the life sciences industry.

At our last “Say-on-Pay vote” held at our 2019 annual meeting of stockholders approximately 86% of our outstanding common stock voting on the matter voted in favor of the compensation of our NEOs, as disclosed in the proxy materials for the 2019 annual meeting. At our 2019 annual meeting, the holders of approximately 78% of our outstanding common stock voting on the matter voted in favor of holding the stockholder advisory vote every three years. As a result of such vote, our Board decided to hold the “Say-on-Pay” advisory vote every three years. Accordingly, the Company’s next “Say-on-Pay” advisory vote on the compensation of our NEOs will be held at our 2022 annual meeting of stockholders.

In 2014 and 2015, the Compensation Committee undertook a review of our compensation policies and practices and retained the compensation consulting firm of Barney & Barney LLC to provide compensation information and analysis with respect to the life science and healthcare industry and with respect to our peer companies within the industry. Barney & Barney LLC reviewed information from industry and other sources, surveys and databases, including publicly-available compensation information of other companies with which we compete, to gauge the competitiveness of our compensation programs. Barney & Barney LLC then reported its findings to the Compensation Committee, with recommendations to bring the Company’s executive compensation closer to the 50th percentile of the total compensation of our competitor companies. These findings continued to inform the Compensation Committee’s decisions on compensation in subsequent years, including 2021.

TABLE OF CONTENTS

The Compensation Committee may use a compensation consultant in the future and to take into account publicly-available data relating to the compensation practices and policies of other companies within and outside our industry. The Compensation Committee intends to benchmark its executive compensation program to target at least the 50th percentile of the total compensation programs of our competitor companies; however, adjusted as deemed to be in the best interest of the Company to assure retention of key employees during the NAVIGATE trial.

Elements of Executive Compensation

The compensation program for the Company's NEOs consists principally of three components:

- base salary;
- performance and retention bonuses;
- long-term compensation in the form of equity-based awards.

Base Salary

Base salary is the only fixed-pay component in our executive compensation program. Base salaries for the NEOs are initially established through arm's-length negotiation at the time the NEO is hired, taking into account such NEO's qualifications, experience, prior salary, the scope of his or her responsibilities, and known competitive market compensation paid by other companies for similar positions within the industry. Base salaries are reviewed annually and adjusted from time to time to realign salaries with market levels after taking into account individual responsibilities, performance, and experience. In making decisions regarding salary increases, the Company may also draw upon the experience of members of the Compensation Committee and the Board of Directors, many of whom sit on the boards of directors of, or have previously advised, numerous companies, including companies in the life sciences industry. The Compensation Committee has not previously applied specific formulas to determine increases. This strategy is consistent with the Company's intent of offering base salaries that are cost-effective while remaining competitive.

Name	2021 Base Salary	2020 Base Salary
Joel Lewis	\$500,000 ⁽³⁾	\$500,000 ⁽¹⁾⁽³⁾
Pol F. Boudes, M.D.	\$455,000	\$440,500 ⁽²⁾
Jack W. Callicutt	\$302,100	\$302,100

(1) Mr. Lewis became our President and Chief Executive Officer on September 2, 2020.

(2) Dr. Boudes became our Chief Medical Officer on March 3, 2020.

(3) Pursuant to Mr. Lewis's Employment Agreement and Deferred Stock Unit Agreement, 20% of Mr. Lewis' base salary will be paid in cash and 80% will be paid in the form of deferred-stock units in accordance with the terms and subject to the provisions of the DSU Agreement.

Performance Bonuses

In addition to the payment of base salaries, the Company believes that annual performance bonuses can play an important role in providing appropriate incentives to its NEOs to achieve the Company’s strategic objectives.

In prior years, performance bonuses were awarded based on the Company’s Employee Short-Term and Long-Term Incentive Program (the “Program”), which was adopted for executives and employees of the Company. The Program is a performance-based program and was adopted in recognition of the importance of aligning executive and employee interests with that of our stockholders. Our Program is designed to reward the efforts of our executives and employees and to be competitive in attracting and retaining them. There are two elements of the Program: (1) a short-term incentive in the form of cash bonuses and (2) a long-term incentive in the form of stock option grants. The cash bonus incentive is targeted to be up to 30% to 50% of the NEO’s base salary as of the end of the applicable year. Half of each NEO’s annual performance bonus is based upon achievement of the Company’s documented performance objectives for the year and the other half is based upon achievement of individual performance objectives set for the year. The 2021 performance bonuses were paid in February 2022.

Name	Performance Bonus Amount	Awarded Amount As % of Base Salary
Joel Lewis	\$250,000 ⁽¹⁾	50%
Pol F. Boudes, M.D.	\$136,500	30%
Jack W. Callicutt	\$ 90,630	30%

(1) Pursuant to Mr. Lewis’s Employment Agreement and Deferred Stock Unit Agreement, 20% of Mr. Lewis’ bonus will be paid in cash and 80% will be paid in the form of deferred-stock units in accordance with the terms and subject to the provisions of the DSU Agreement

Long-Term Incentive Compensation

The Company believes that by providing its NEOs the opportunity to increase their ownership of Company stock, the interests of its NEOs will be more closely-aligned with the best interests of the Company’s stockholders and it will encourage long-term performance. The stock awards enable the NEOs to participate in the appreciation in the value of the Company’s stock, while personally participating in the risks of business setbacks.

Under the long-term incentive portion of the Program, the NEOs are granted options based upon achievement of the Company performance and individual performance objectives and rank in the Company. All option grants under the Program through December 2019 were made under the 2009 Incentive Compensation Plan. Grants made after January 1, 2020, were made pursuant to the 2019 Omnibus Equity Incentive Plan.

On March 25, 2021, the NEOs were awarded the options noted below based on 2020 performance. For the performance options, 25% vest on each of September 30, 2021, March 31, 2022, September 30, 2022 and March 31, 2023. The exercise price of the options is set at the closing price of our stock as of the grant date. The NEOs also were awarded longer term option grants that vest 100% when the Company has received the interim results of the NAVIGATE clinical trial and makes a public announcement that it has received the interim results.

termination of employment or change in control of the Company, which is provided in further detail under the section entitled “Potential Payments Upon Termination or Change in Control.”

Joel Lewis, Chief Executive Officer

In connection with the appointment of Mr. Lewis, the Company and Mr. Lewis entered into an employment agreement, dated August 31, 2020 (the “Employment Agreement”), and a Deferred Stock Unit Agreement, dated August 31, 2020 (the “DSU Agreement”). The Employment Agreement has an initial term of two years and automatically renews for additional one-year terms thereafter, unless either Mr. Lewis or the Company elects not to renew. Mr. Lewis will serve as Chief Executive Officer of the Company effective as of September 2, 2020 (the “Start Date”), and will be paid an annual base salary of \$500,000. Under the terms of the Employment Agreement, 20% of his base salary will be paid in cash, and 80% will be paid in the form of deferred-stock-units (“DSUs”) in accordance with the terms and subject to the provisions set forth in the DSU Agreement. In addition, Mr. Lewis is entitled to participate in the Company’s performance bonus plan with a potential of up to 50% of his annual base salary, which will also be paid 20% in cash and 80% in DSU’s. Further, Mr. Lewis received on the date of the agreement an initial grant of options to purchase 250,000 shares of the Company’s common stock, par value \$0.001 per share, which options shall vest one-twelfth on a quarterly basis for twelve consecutive quarters, such that the options shall be fully vested twelve quarters following the date of grant (the “Award”). The options under the Award shall be issued pursuant to the Company’s 2019 Omnibus Equity Incentive Plan (the “Plan”). Pursuant to the Employment Agreement, Mr. Lewis is also eligible to receive healthcare benefits as may be provided from time to time by the Company to its employees generally, to participate in the Company’s 401(k) plan and to receive paid time off annually in accordance with the Company’s policies in effect from time to time. Finally, pursuant to the Employment Agreement, the Company will be required to furnish a lump sum cash payment to Mr. Lewis upon a termination of Mr. Lewis without “Cause” or upon Mr. Lewis’ resignation for “Good Reason” as such terms are defined in the Employment Agreement or in the event the Company gives notice of non-renewal on or before September 30, 2023. The Employment Agreement includes customary intellectual property, assignment, and other representations by Mr. Lewis.

Pursuant to the DSU Agreement, 80% of Mr. Lewis’ base salary under the Employment Agreement shall be payable in DSUs, which DSUs credited to Mr. Lewis as of any date shall be fully vested and nonforfeitable at all times. The Company shall issue the shares underlying the outstanding whole number of DSUs credited to Mr. Lewis as follows: twenty five percent shall be issued on March 1, 2023, twenty five percent shall be issued on September 1, 2023 and fifty percent shall be issued on March 1, 2024.

Pol F. Boudes, M.D., Chief Medical Officer

On February 19, 2020, the Company entered into an Employment Agreement with Dr. Boudes (the “Agreement”), which governs the terms of Dr. Boudes’ employment in his position as the Company’s Chief Medical Officer. Dr. Boudes will serve as the Chief Medical Officer of the Company during an initial term that commences on March 2, 2020 (the “Commencement Date”) and expires on February 28, 2021 (the “Initial Term”). Following the Initial Term, the term of the Agreement automatically renews for successive twelve (12) month terms unless either party provides the other party with notice of non-renewal at least sixty (60) days prior to the expiration of the then-current term. Under the Agreement, the Company has agreed to pay Dr. Boudes a base salary of \$444,500 per year (the “Base Salary”). Provided that certain performance objectives are met, Dr. Boudes will also be entitled to receive an annual performance bonus equal to thirty percent (30%) of the Base Salary (the “Performance Bonus”). Subject to certain restrictions described in the Agreement, Dr. Boudes will receive a \$100,000 signing bonus pursuant to the Agreement. Dr. Boudes will also be granted options to purchase 300,000 shares (the “Options”) of the Company’s common stock pursuant to the Company’s 2019 Omnibus Equity Incentive Plan. The Options vest as follows: twenty percent (20%) of the Options shall vest upon one (1) year of employment, twenty percent (20%) of the Options shall vest upon two (2) years of employment, twenty percent (20%) of the Options shall vest upon three (3) years of employment, and the remaining forty percent (40%) of the Options shall vest upon four (4) years of employment.

Jack W. Callicutt, Chief Financial Officer

We entered into an employment agreement with Mr. Callicutt dated July 1, 2013 (the “Callicutt Employment Agreement”), in conjunction with Mr. Callicutt’s appointment as our Chief Financial Officer. Pursuant to the terms of the Callicutt Employment Agreement, Mr. Callicutt received an initial base salary of

TABLE OF CONTENTS

\$175,000 and was eligible to receive a performance bonus equal to 20% of his base salary. Effective March 31, 2015, Mr. Callicutt's annual base salary was increased to \$240,000, and his annual base salary was increased again to \$260,000 in February 2016. In June 2018, Mr. Callicutt's annual base salary increased to \$285,000. He also received a signing bonus of \$10,000. In addition to his cash compensation, the Company awarded Mr. Callicutt a grant of options to purchase 200,000 shares of the Company's Common Stock at an exercise price equal to the closing price of the Company's Common Stock on July 1, 2013, with 25,000 shares vesting on December 31, 2013, 50,000 shares vesting on December 31, 2014, 50,000 shares vesting on December 31, 2015 and 75,000 shares vesting on December 31, 2016. The options were granted pursuant to the 2009 Incentive Compensation Plan and expire ten years after the date of grant.

On August 11, 2017, we entered into an amendment to the Callicutt Employment Agreement with Mr. Callicutt (the "Amendment"). Pursuant to the Amendment, (i) Mr. Callicutt's target bonus opportunity was increased to 30% of his base salary and (ii) an error in the severance provision of the Callicutt Employment Agreement was corrected. Prior to the Amendment, the Callicutt Employment Agreement did not provide for any severance if Mr. Callicutt's employment was terminated by the Company "without cause," or by Mr. Callicutt for "good reason" after the date that was 24 months after the Commencement Date.

Employee Benefits & Perquisites

From time to time, the Company has provided the NEOs with employee benefits and perquisites that our Board believes are reasonable. Our NEOs are eligible to participate in the same broad-based employee benefit plans that are offered to our other employees, such as health insurance, disability insurance, life insurance and a 401(k) plan. These benefits are provided as part of the basic conditions of employment for all of our employees, and therefore providing them to our NEOs does not represent a significant incremental cost to us. The Company does not view employee benefits and perquisites as a significant element of its comprehensive compensation structure, but does believe they can be useful in attracting, motivating, and retaining the executive talent for which the Company competes. The Company believes that these additional benefits may assist the NEOs in performing their duties and provide time efficiencies for the NEOs in appropriate circumstances, and the Company may consider providing additional employee benefits and perquisites in the future. All future practices regarding employee benefits and perquisites will be approved and subject to periodic review by the Compensation Committee.

2009 Incentive Compensation Plan

The options granted under our 2009 Incentive Compensation Plan, the options will become immediately vested and exercisable upon a change of control. Upon termination of employment for cause, all outstanding options immediately terminate. Options remain

exercisable for one year following termination due to the executive's death or disability or retirement, or for twelve months after termination for any other reason other than for cause.

Under the 2009 Incentive Compensation Plan, change of control is defined as:

- (1) the acquisition of beneficial ownership of 50% or more of either the value of then outstanding equity securities of the Company or the combined voting power of our securities, except for any acquisition directly from us, any acquisition by us or any person that owns a controlling interest in the Company, or any acquisition by any of our employee benefit plans;
- (2) during any period of three (3) consecutive years, a majority of the Board is no longer comprised of individuals who, as of the beginning of that period, constituted our Board and individuals whose nomination for election was approved by the Board;
- (3) a reorganization, merger, statutory share exchange or consolidation or similar transaction, a sale or other disposition of all or substantially all of the assets of the Company, or the acquisition of assets or equity of another entity by the Company, in each case unless (i) substantially all of the owners, respectively, of our outstanding shares of common stock or the combined voting power of our securities immediately before the transaction beneficially own more than 50% of, respectively, the common stock and the combined voting power of the securities of the resulting corporation, in substantially the same proportions as their ownership immediately prior to the transaction, (ii) no person owns 50% of, respectively, the common stock and the combined voting power of the securities of the resulting corporation, unless such ownership existed prior to the transaction and (iii) at least a majority of the members of the board of directors of the resulting entity were members of the Board of Directors of the Company at the time of the execution of the initial agreement or of the action of the Board providing for such transaction ; or
- (4) approval by the stockholders of a complete liquidation or dissolution of the Company.

"Disability" is defined as a permanent and total disability (within the meaning of Code Section 22(e)), as determined by a medical doctor satisfactory to the Compensation Committee.

"Cause" means the failure by the executive to perform, in a reasonable manner, his or her duties as assigned by the Company, (ii) any violation or breach by the executive of his or her employment, consulting or other similar agreement with the Company, if any, (iii) any violation or breach by the executive of any non-competition, non-solicitation, non-disclosure and/or other similar agreement with the Company, (iv) any act by the executive of dishonesty or bad faith with respect to the Company, (v) use of alcohol, drugs or other similar substances in a manner that adversely affects the executive's work performance, or (vi) the commission by the executive of any act, misdemeanor, or crime reflecting unfavorably upon the executive or the Company.

2019 Omnibus Equity Incentive Plan

Under the 2019 Omnibus Equity Incentive Plan, if there is a merger or consolidation of the Company with or into another corporation or a sale of substantially all of the Company's stock (a "Corporate Transaction"), and the outstanding awards are not assumed by surviving company (or its parent company) or replaced with economically equivalent awards granted by the surviving company (or its parent company), the Company will cancel any outstanding awards that are not vested and nonforfeitable as of the consummation of such Corporate Transaction (unless the Company accelerates the vesting of any such awards) and with respect to any vested and nonforfeitable awards, the Company may either (i) allow all grantees to exercise options and SARs within a reasonable period prior to the consummation of the Corporate Transaction and cancel any outstanding options or SARs that remain unexercised upon consummation of the Corporate Transaction, or (ii) cancel any or all of such outstanding awards (including options and SARs) in exchange for a payment (in cash, or in securities or other property) in an amount equal to the amount that the grantee would have received (net of the exercise price with respect to any options or SARs) if the vested awards were settled or distributed or such vested options and SARs were exercised immediately prior to the consummation of the Corporate Transaction. If an exercise price of the

TABLE OF CONTENTS

option or SAR exceeds the fair market value of our Common Stock and the option or SAR is not assumed or replaced by the surviving company (or its parent company), such options and SARs will be cancelled without any payment to the grantee.

Potential Payments Upon Termination or Change-in-Control

Joel Lewis:

Under Mr. Lewis' Employment Agreement, the Company is required to furnish a lump sum cash payment to Mr. Lewis upon a termination of Mr. Lewis without "Cause" or upon Mr. Lewis' resignation for "Good Reason" as such terms are defined in the Employment Agreement or in the event the Company gives notice of non-renewal on or before September 30, 2023.

Under the Deferred Stock Unit Agreement, if a Change in Control of the Company occurs prior to the date on which Mr. Lewis is scheduled to receive shares and cash in an installment payment or in a lump sum (a "Settlement Date"), Mr. Lewis' account will be credited with the consideration payable in such Change in Control with respect to the shares subject to the DSUs then credited to Mr. Lewis' Account immediately prior to such Change in Control. If Mr. Lewis' employment with the Company continues after a Change in Control, Mr. Lewis' account will be credited with the cash value of the portion of his base salary and annual performance bonus that would have been credited in the form of DSUs but for the Change in Control. The portion of Mr. Lewis' Account denominated in cash pursuant to the preceding sentence (i.e., the amount attributable to base salary and annual performance bonuses credited to Mr. Lewis' Account after the Change in Control) shall be credited with interest at three (3%) percent compounded annually. For avoidance of doubt, a Change in Control shall not result in acceleration of the settlement of Mr. Lewis' Account and the payment of all amounts or other property credited to Mr. Lewis' Account in connection with the Change in Control shall be paid or delivered to Mr. Lewis on as soon as reasonably practicable after the Settlement Date.

Pol Boudes:

Under the Employment Agreement with Dr. Boudes, if (i) Dr. Boudes terminates the Agreement for Good Reason (as defined in the Agreement) or the Company terminates the Agreement without Cause (as defined in the Agreement), then the Company shall pay to Dr. Boudes: (1) the Base Salary accrued through the date of termination, (2)(A) if termination occurs within twelve (12) months of the Commencement Date, an amount equal to three (3) months of the Base Salary, or (B) if such termination occurs after the twelve-month anniversary of the Commencement Date, but prior to the eighteen-month anniversary of the Commencement Date, an amount equal to six (6) months of the Base Salary or (C) if termination occurs after the eighteen-month anniversary of the Commencement Date, but prior to the twenty four-month anniversary of the Commencement Date, an amount equal to nine (9) months of Base Salary or (D) if termination occurs after the twenty four-month anniversary of the Commencement Date, an amount equal to twelve (12) months of the Base Salary, (3) reimbursement of unreimbursed expenses and (4) payment of a portion of the Performance Bonus.

If, within the period ending twelve (12) months after the date of a Change of Control, Dr. Boudes' employment with the Company is (i) terminated without Cause or (ii) terminated for Good Reason by Dr. Boudes, the Company shall pay to Dr. Boudes (A) the Base Salary accrued through the date of termination, to the extent not theretofore paid, (B) reimbursement of any unreimbursed expenses, (C) a pro-rated amount of the Performance Bonus assuming payout at maximum performance and (D) an amount equal to twelve (12) months of Base Salary, payable in a lump sum no later than thirty (30) days following such termination. Upon any such Change of Control, Dr. Boudes' unvested Options shall be one hundred percent (100%) vested, but shall otherwise continue to be governed by the terms and conditions of the Plan and the applicable stock option agreement.

Jack Callicutt:

Mr. Callicutt's Employment Agreement provides that if, within the period ending twelve (12) months after the date of a Change of Control, Mr. Callicutt's employment with the Company is (i) without Cause by the Company (or by the acquiring or successor business entity following a Change of Control), or (ii) terminated for Good Reason by Mr. Callicutt, the Company shall pay to Mr. Callicutt (A) the Base Salary accrued through the date of termination, to the extent not theretofore paid, (B) reimbursement of any unreimbursed expenses, (C) a portion of the amount of the Performance Bonus (as defined in the Employment Agreement) equal to the

TABLE OF CONTENTS

maximum amount of the Performance Bonus multiplied by a fraction, (X) the numerator of which shall be the number of days elapsed from the beginning of the calendar year in which such termination occurs and (Y) the denominator of which shall be the total number of days in the calendar year in which such termination occurs (being 365 in a full year and 184 in 2013) and (D) an amount equal to twelve months of Mr. Callicutt's Base Salary, payable in a lump sum no later than thirty (30) days following such termination. Upon any such Change of Control, Mr. Callicutt's unvested options to purchase shares of the Company's common stock shall be one hundred percent (100%) vested, but shall otherwise continue to be governed by the terms and conditions of the Stock Option Agreement. However, if, in connection with a transaction that technically meets, or may meet, the definition of Change of Control (as defined in the Employment Agreement), Mr. Callicutt's employment by the Company or a successor to the Company is terminated, but Mr. Callicutt is immediately re-hired as an employee of a successor to the Company or surviving company in such a transaction in a comparable position, with the same or greater total annual cash compensation, including bonus potential, and with an employment agreement containing substantially equivalent provisions as this Agreement with respect to termination of the Mr. Callicutt and severance, no benefits shall be payable under the Change of Control provision of the Employment Agreement.

Uihlein (the "Lender") entered into a Line of Credit Letter Agreement (the "Credit Agreement"), pursuant to which the Lender shall provide the Company a line of credit of up to \$60.00 million (the "Line of Credit") to finance the Company's working capital needs. The Company may draw upon the Line of Credit through July 31, 2024.

Each advance made pursuant to the Credit Agreement shall be evidenced by an unsecured, convertible promissory note (individually, a "Promissory Note," and collectively, the "Promissory Notes"), and bear interest at the Applicable Federal Rate (AFR) for short term loans (3.01% for September 2022), plus two (2%) percent. Principal and interest on the Promissory Notes are due on or before January 31, 2026. Only with the consent of the Lender, may the Promissory Notes be prepaid, in whole or in part, at any time without premium or penalty, but with interest on the amount or amounts prepaid.

At the election of Lender, the principal and accrued interest on Promissory Note(s) may be converted into the number of shares of the Company's Common Stock equal to the amount of principal and accrued interest on such Promissory Note divided by the price equal to the closing price of the Common Stock on the date of such Promissory Note, but in no event less than \$3.00 per share.

In connection with the Credit Agreement, the Company agreed to issue the Lender warrants to purchase up to an aggregate of 1,700,000 shares of the Company's common stock, par value \$0.001 per share (collectively, the "Warrants"). Upon execution of the Credit Agreement, the Company issued the Lender a Warrant to purchase up to 500,000 shares of Company's Common Stock at an exercise price of \$5.00 per share, which Warrant is exercisable upon issuance. Further, pursuant to the Credit Agreement, the Company shall issue to the Lender additional Warrants to purchase up to the remaining 1,200,000 shares of the Company's common stock, ratably, upon borrowings under the Credit Agreement, with exercise prices equal to 150% of the closing price of the Company's common Stock on the date of the Promissory Note evidencing such draw, but in no event more than \$10.00 per share nor less than \$3.00 per share. The Warrants expire on July 31, 2029.

Estimate of the Number of Shares of Common Stock Issuable

We are seeking shareholder approval of (i) 1,700,000 shares of our common stock issuable upon exercise of the Warrants, (ii) up to an aggregate of 20,000,000 shares of our common stock issuable upon conversion of the principal amount of the Promissory Notes, based on the credit limit of \$60.0 million (if we draw upon the maximum available credit limit) and the minimum conversion price of \$3.00 per share, and (iii) an indeterminate number of shares of our common stock issuable upon conversion of the interest that may accrue under the Promissory Notes because of the timing of the borrowings and interest rate at the time of borrowings.

TABLE OF CONTENTS

Based on our good faith projection that we begin drawing down \$10 million in the first quarter of 2023, and thereafter in the next five fiscal quarters, and assuming an interest rate of 5.01% (based on the AFR of 3.01% for September 2022 plus 2%) and assuming the minimum conversion price of \$3.00, the number of shares of common stock issuable with respect to interest payment at maturity would be 3,753,496 shares of common stock. The number of shares of common stock issuable with respect to interest payment at maturity would increase if the AFR increases. If the AFR increases to 7%, such that the interest on the Promissory Notes is 9%, the number of shares of common stock issuable with respect to interest payment at maturity would be 8,628,107 shares of common stock. The two scenarios are illustrated in the table below.

	September 2022 AFR of 3.01% (Scenario A)	Assuming AFR increases to 7% (Scenario B)
Shares issuable with respect to:		
Conversion of Principal	20,000,000	20,000,000
Conversion of Accrued Interest	3,753,496	8,628,107
Exercise of Warrants	<u>1,700,000</u>	<u>1,700,000</u>
Total	<u>25,453,469</u>	<u>30,328,107</u>

Purpose and Background for Shareholder Approval

Our Common Stock is listed on the Nasdaq Stock Market and, as such, we are subject to the Nasdaq Stock Market Rules. Nasdaq Listing Rule 5635(b) requires shareholder approval prior to the issuance of common stock when the issuance or potential issuance will result in a change of control of the Company. Subject to certain exceptions, Nasdaq would generally view an issuance as resulting in a change of control if it would result in a shareholder becoming a 20% or greater shareholder. Although the Lender is already a greater than 20% shareholder and is our currently our largest shareholder, due to the potential issuance of a substantial number of shares of our common stock, for the avoidance of doubt, we are seeking shareholder approval of the issuance of shares of our common stock upon conversion, exchange or otherwise to Richard E. Uihlein, our Chairman of the Board of Directors, pursuant to the terms of the Notes. As of the date of this proxy, there are an aggregate of 59,426,005 of shares of common stock outstanding.

Interests of Certain of the Company's Directors, Officers and Employees in the Proposal

Richard E. Uihlein is our Chairman of the Board of Directors and has been the Company's largest individual investor. As an investor, Mr. Uihlein may benefit in that his the Notes and bear interest at the Applicable Federal Rate (AFR) for short term loans (3.01% for September 2022), plus two (2%) percent. Furthermore, the Warrants that we issued to Mr. Uihlein, which are exercisable at \$5.00 per share, although currently out-of-the-money, may be in-the-money during the exercise period of the Warrants.

Potential Effects of Approving this Proposal

If this Proposal is approved, shareholders may be subject to significant dilution. On a pro forma basis, based on beneficial ownership information as of September 1, 2022, the issuance of 25,453,469 shares of common stock in Scenario A described in the table above, would result in Mr. Uihlein being the beneficial owner of 45.1% of the Company's common stock, calculated in accordance with Section 13(d) of the Exchange Act. On a pro forma basis, based on beneficial ownership information as of September 1, 2022, the issuance of 30,328,107 shares of common stock in Scenario B described in the table above, would result in Mr. Uihlein being the beneficial owner of 47.9% of the Company's common stock, calculated in accordance with Section 13(d) of the Exchange Act.

Consequences of Not Approving this Proposal

We believe that the unsecured Line of Credit with Mr. Uihlein is the best and least costly financing source available to us at this time. Generally, lines of credits, secured by assets or unsecured, are not available to the Company from other lenders, and lenders would seek to obtain rights to convert a note at a discount to the market price, rather than at the market price. We believe that the terms are more favorable to the Company than terms that the Company could obtain from other parties. We believe that the benefits of the Line of Credit exceed the potential dilutive effects. If our shareholders do not approve this Proposal, we will be unable to

borrow any amounts under the Credit Agreement and we will be required to seek other sources of financing. Accordingly, if this Proposal is not approved, we may be limited in our ability to raise sufficient funds on acceptable terms to fund our operations and our clinical trials.

Vote Required

Approval of this Proposal requires a majority of the votes cast of this Proposal. Accordingly, abstentions and broker non-votes will have no effect on the outcome of this Proposal.

TO AUTHORIZE AND APPROVE, FOR PURPOSES OF COMPLYING WITH NASDAQ LISTING RULE 5635, THE ISSUANCE OF MORE THAN 20% OF THE COMPANY'S ISSUED AND OUTSTANDING SHARES OF OUR COMMON STOCK IN CONNECTION WITH OUR LINE OF CREDIT PROVIDED BY RICHARD E. UHLEIN, OUR CHAIRMAN OF THE BOARD OF DIRECTORS. THE NUMBER OF SHARES TO BE ISSUED INCLUDES A MAXIMUM OF 20,000,000 COMMON SHARES IN EXCHANGE FOR \$60,000,000 FOR THE PRINCIPAL OF THE LINE OF CREDIT, 1,700,000 OF COMMON SHARES FOR STOCK PURCHASE WARRANTS ISSUED IN CONNECTION WITH THE LINE OF CREDIT, AND COMMON SHARES ISSUABLE IN EXCHANGE FOR ACCRUED INTEREST ON THE LINE OF CREDIT.

**PROPOSAL NO. 4
NON-BINDING ADVISORY RESOLUTION TO APPROVE EXECUTIVE COMPENSATION**

The Dodd-Frank Wall Street Reform and Consumer Protection Act amended Section 14A of the Securities Exchange Act of 1934, which requires that we provide our stockholders with the opportunity to vote to approve, on a nonbinding, advisory basis, on the compensation of our named executive officers as disclosed in this proxy statement in accordance with the executive compensation disclosure rules of the Securities and Exchange Commission (“SEC”).

As described in more detail in the above section titled “Executive Compensation,” we seek to closely align the interests of our named executive officers with the interests of our stockholders. Our compensation programs are designed to reward our named executive officers for the achievement of short-term and long-term strategic and operational goals and the achievement of increased total stockholder return.

This vote is advisory, which means that the vote on executive compensation is not binding on the Company, our Board of Directors or the Compensation Committee of the Board of Directors. We believe in a corporate governance structure that is responsive to stockholder concerns, and we view this vote as a meaningful opportunity to gauge stockholder approval of our executive compensation policies.

**THE BOARD OF DIRECTORS ASKS YOU TO APPROVE AND VOTE FOR THE FOLLOWING
NON-BINDING RESOLUTION AT THE ANNUAL MEETING:**

“RESOLVED, that the Company’s stockholders approve, on an advisory basis, the compensation of the named executive officers, as disclosed in the Company’s Proxy Statement for the 2022 Annual Meeting of Stockholders pursuant to the executive compensation disclosure rules of the Securities and Exchange Commission, including the Summary Compensation Table and the other related tables and disclosure.”

Required Vote; Recommendation of the Board

The affirmative vote of a majority of the votes cast by Stockholders present, in person (virtually) or by proxy, and entitled to vote at the Annual Meeting, is required for advisory approval of this Proposal 4.

**THE BOARD RECOMMENDS THAT YOU VOTE “FOR” THE APPROVAL OF THE NON-BINDING
RESOLUTION TO APPROVE EXECUTIVE COMPENSATION**

ANNUAL REPORT

Our Annual Report on Form 10-K, filed with the SEC for the fiscal year ended December 31, 2021, may be obtained by our stockholders without charge, upon written request to our Corporate Secretary. You may also download a copy of our Annual Report on Form 10-K by visiting our corporate website at investor.galectintherapeutics.com/financial-information or at www.proxyvote.com.

SEC rules permit companies and intermediaries such as brokers to satisfy delivery requirements for proxy statements with respect to two or more stockholders sharing the same address by delivering a single proxy statement addressed to those stockholders. This process is called “householding.” This reduces the volume of duplicate information received at your household and helps to reduce costs. We may “household” your materials based on your prior express or implied consent. A number of brokerage firms have instituted householding. Once a stockholder has received notice from his or her broker that the broker will be householding communications to the stockholder’s address, householding will continue until the stockholder is notified otherwise or until one or more of the stockholders revokes his or her consent.

If you would like to receive your own set of our proxy statement and related materials now or in the future, or if you share an address with another Galectin Therapeutics stockholder and together both of you would like to receive only a single set of our proxy materials in the future, please contact your broker (if you hold your shares in “street name”). Be sure to indicate your name, the name of your brokerage firm or bank, and your account number(s). You can also request prompt delivery of a copy of the proxy statement and related materials by contacting our Corporate Secretary at Galectin Therapeutics, 4960 Peachtree Industrial Blvd., Suite 240, Norcross, GA 30071, Attention: Corporate Secretary; telephone: 678-620-3186; e-mail: callicutt@galectintherapeutics.com.
